A visual representation of the number 50 using base ten blocks. It consists of four vertical rectangular blocks, each representing a ten, and ten small square blocks, each representing a one. The four tens blocks are arranged in a row, and the ten ones blocks are arranged in a single row below them.

“Договоры между государством и частными компаниями в отношении добычи нефти и газа являются односторонними. Государство имеет право в любой момент изменить условия договора, что может привести к убыткам для частных компаний. Это создает неопределенность в инвестициях. Кроме того, высокие налоги и сборы на добычу ресурсов снижают интерес инвесторов. В результате, несмотря на наличие ресурсов, страна не привлекает достаточного количества инвестиций для развития нефтегазовой отрасли.”
